Top 10 +1 Rule

Display your club name tag.

IC powered aircraft may only be flown between 9am and 8pm.

Ensure guest flyers enter their details in the club sign-in/visitors book.

Observe transmitter protocols: TX certified, key in Board (max 15 minutes) or TX in pound when not in use. If using a 2.4 GHz radio, use a key to identify you are using this type of radio and to identify you as the pilot. No more than 30 x 2.4 GHz radios can be in use at any one time.

No more than 6 models in the air at any time. This does not include the helicopter area. This is to reduce risk, and manage flight operations.

Fly with an instructor unless solo (Bronze Wings or equivalent).

Fly within the authorised flying space – see map.

DO NOT smoke in Pit areas or use a mobile phone.

If last out, **lock all clubhouse doors, set alarm and lock club gate.**

Call 000 for emergencies (**Fire, Ambulance Police**).

Enjoy yourself at the field.

And

If Pony Club ‘Horse Warning’ sign is displayed (located on fence adjacent to TX pound), **shorten flight path to the south.** Remain within GMAC flying area.

IF YOU ARE UNSURE OF THE ABOVE, ASK ANOTHER CLUB OR COMMITTEE MEMBER
